

# Evangelism & Other Evils: Putting the E-Word in its Place

Saturday 25th February 2012, 10am-4pm

*led by The Revd Glen Marshall*

*A day for all who:*

- Would like to be able to evangelise
- Are not sure they like evangelism - even though they think they ought to
- Feel guilty when anyone mentions evangelism
- Are tired of all this pussy-footing about and can't work out why people don't just get on with it
- Have decided that evangelism is well dodgy
- Long for the good old days of Billy Sunday
- Don't think they like Billy Sunday
- Have never even heard of Billy Sunday

*We will be looking at such issues as:*

## **What Do We Mean By Evangelism?**

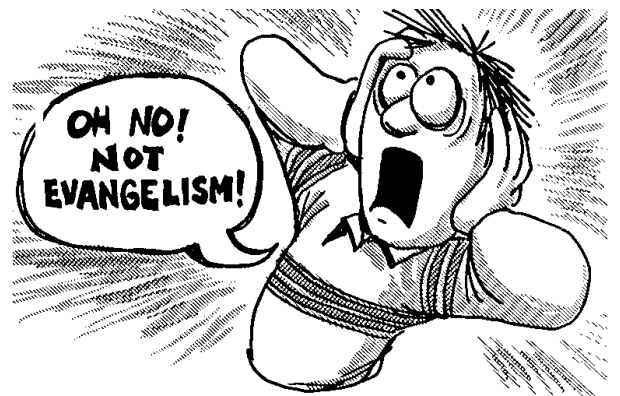

- untangling a biblical vision from recent practice

## **Why Won't Christians Evangelise?**

- examining the reasons for reluctance

## **How Then Shall We Evangelise?**

- mapping the contours of a way ahead

Cost: £10.00 including lunch.

Please book in advance.

## **Learning theology for the real world**
